How To Chose Your Hurricane Component Kits

When choosing the Standard Model:

- Pick 1 duct clamp and seal kit
- Pick 1 corresponding cable guide kit
- Pick 1 corresponding kit of cable seals (5 pack)
- The standard belt set supplied with all Hurricanes is the 3-11mm. If you need a different size, order separately.

When choosing the Plus Model:

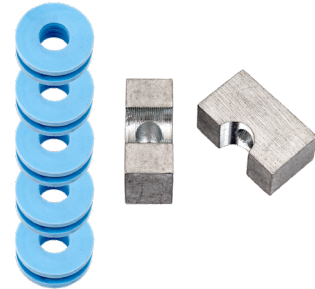

Receive all components to blow the 3 most popular sizes

When choosing the Max Model:

Nothing to pick, you'll receive one of everything

Up to 30% savings on accessories when purchasing the Plus or Max
