- Remote/ control unit needs to be repaired or replaced
- Motors and control boards up to a parts and labor value equal to a value we consider to be beyond economic repair (Listed in chart below)
- Complete housing (If under BER (Beyond Economic Repair) Value)

Procedure for sending your Fiber Blower in for Repair

1. You are responsible for the shipping cost to get your Blower to us for repair. Please send to the following address:

General Machine Products (KT), LLC
3111 Old Lincoln Highway
"Attention Repair Department"
Treose-Feasterville, PA 19053 USA

Please Note: GMP is NOT responsible for your blower until we receive and sign for at our shipping dock. We recommend shipping with "SIGNATURE REQUIRED"

2. **Please, no packing peanuts.** Not only are they terrible for the environment but they are a pain to clean up after we open your box.
3. Please return all parts that were originally sold with the Blower.
4. Fill out the **BELOW** form and include a copy with the Fiber Blower, submit completed and signed form to customer service. They will return form to you with **Repair No.** and **Repair lead time.**
5. **Before** sending your Blower in, you must receive a completed repair request form back from customer service **INCLUDING** your **Repair No.** Please include a copy of form with each Blower that is being sent in for Repair.

GMP Out-of-Warranty Flat Rate Repair Cable Blower Service

6. Failure to attach a completed Repair Request form (including repair number from customer service) to your Blower, may result in a \$150 processing fee
7. A Repair Customer Service Representative will notify you via email when your Blower is received

Out-of-Warranty Flat Rate Repair Price List

Model	Tier 1 Flat Rate Price (minimum repair Cost)	Tier 2 Flat Rate Price	Tier 3 Flat Rate Price
Whisper (Flat drop or Round)	\$1,000	\$1,900	n/a
Gentle Air	\$1,000	\$1,900	\$2,500
Microdrive	\$1,000	\$2,500	n/a
AccelAir	\$1,200	\$2,500	\$4,500
Airstream	\$1,500	\$2,900	\$5,500
Hurricane	\$1,500	\$4,000	\$6,500
Jetstream	\$1,500	\$3,100	\$6,000
Tornado	\$2,500	\$4,000	\$7,500

Tier 1 is the minimum amount you will pay for a blower repair if not under warranty. For **Tier 3** repairs, blowers will be repairs up to a parts and labor retail value of what we consider BER (Beyond Economic Repair) Value. These BER values are listed below:

Model	BER (Beyond Economic Repair) Value
Whisper (Flat drop or Round)	\$3,177
Gentle Air	\$3,267
Microdrive	\$4,829
Accelair 2	\$5,556
Airstream	\$9,730
Hurricane	\$11,623
Jetstream	\$10,417
Tornado	\$13,840

If a blower comes in for repair and is deemed to be Beyond Economic Repair (parts and labor cost is equal to or above the BER value listed in the BER chart above), the customer will be notified. These units can still be repaired; however, pricing will be quoted on case-by-case basis.

GMP Out-of-Warranty Flat Rate Repair Cable Blower Service
