

# RATCHETING PVC CUTTERS FOR PLASTIC DUCTS

## 2" RATCHETING PVC PIPE CUTTER

**Part Number 89578**

This ratcheting cutter is designed for cutting PVC and PEX pipes and features a locking latch with separate handles for blade retraction, a die-cast aluminum alloy body with a steel blade, and a cutting capacity of up to 2 in. (5.1 cm) inside diameter or 2-3/8 in. (6 cm) outside diameter for both PVC pipe and non-metallic tubing.

- Ratcheting PVC Pipe Cutter cuts up to 2-Inch Inner Diameter and 2-3/8-Inch Outer Diameter pipes
- For use with Schedule 40/80 PVC
- Lightweight design with soft-molded handles for comfortable grip and increased leverage
- Ratcheting pierce-point blade offers prolonged cutting performance
- Durable ratcheting blade activated by pulling handles apart
- Versatile jaw shape fits various pipe sizes
- Latch keeps tool securely closed when not in use
- Long lasting replacement blade available; sold separately

**Part Number:** 89578 **Weight:** 1.1 lbs (0.5kg)

## 1-1/4" RATCHETING PVC PIPE CUTTER

**Part Number 89577**

The Ratcheting PVC Pipe Cutter has a cutting capacity of up to 1-1/4-Inch (31 mm) I.D. and is designed to cut schedule 40/80 PVC, CPVC, and PEX pipes. The lightweight, soft-molded handles ensure comfortable grip and offer increased leverage during use. Pulling the handles apart retracts the blade allowing for easy one-handed operation.

- Ratcheting PVC Pipe Cutter cuts up to 1-1/4-Inch (31 mm) I.D.; 1-5/8-Inch (41 mm) O.D. pipes
- For use with schedule 40/80 PVC
- Lightweight design with soft-molded handles for comfortable grip and increased leverage
- Durable ratcheting blade activated by pulling handles apart
- Latch keeps tool securely closed when not in use
- Long lasting replacement blade available; sold separately

**Part Number:** 89577 **Weight:** 1 lb (0.45kg)
